

Workshop Series: Doctoral Supervision at the MIN Faculty

- Participants:** Supervisors of Doctoral Researchers at the UHH MIN Faculty (Postdocs, Professors)
- Content:** Strategies for effective supervision and tackling challenges
- Format:** **Part 2** 2-day peer supervision workshop
date: June 9 and 10, 2026, 9:00 a.m. – 3:30 p.m.
location: Grindelberg 5, room 008
+ 1-day follow up workshop
date: Sep 11, 2026, 9:00 a.m. – 3:00 p.m.
location: MIN Forum

Certificate: The training consists of two parts, each of which can be attended individually. Participants will receive a certificate “**Certified Supervisor**” upon completion of the series (both parts). If only one part is attended, participants will receive a confirmation of attendance.

MINGZ Certified Supervisor Workshop Part 2 detailed Announcement:

9. & 10. June 2026: 9:00 a.m. – 3:30 p.m. plus (Grindelberg 5, room 008), **September 11 2026:** 9:00 a.m. – 3:00 p.m. (MIN Forum)

This workshop, facilitated by Gitte Wichmann-Hansen, PhD (DPU, Department of Education Studies, Aarhus University) and Mirjam Godskesen, PhD. (AAU Department of Culture and Learning Copenhagen), aims to expand supervisors’ repertoire of concrete hands-on tools and strategies to make supervision a professional, effective, and enjoyable process. Furthermore, you will have the chance to do peer supervision between the course days and reflect on your own supervisory practice in a systematic way.

If you wish to participate in this workshop, please contact mingz@uni-hamburg.de (registration via registration form on our MINGZ website is no longer possible).

Discontinuation Notice: Starting in 2026, the MIN Graduate Center will be transitioning the “Certified Supervisor” certificate program to a new format. The previous format (Part 1 “Doctoral Supervision Training” + Part 2 “Peer Supervision Workshop”) will end with this year’s Peer Supervision Workshop on 09/10 June and 11 September 2026. For information about the new workshop offering, please refer to the [MINGZ website](#). Registration for the new modular format is available there or via [Indico](#).
