

HOW TO FIND AN APARTMENT IN HAMBURG

The most common way to find suitable accommodation - for rent as well as for buying - is to read advertisements in different newspapers or on the internet.

The ads are published only in German. And the rental agreement will of course be written in German as well.

◆ ...in newspapers:

- * HAMBURGER ABENDBLATT (advertisements published on Wednesdays and Saturdays)
- ** ANNONCEN AVIS (published on Fridays) **

Additionally people who are looking for an apartment can place an advertisement on these media, too.
